## What Does Waterproof Mean?

This is a summary of the international standard **IEC 60529 – Degrees of Protection Provided by Enclosures**

IP Code:	Protected against:	at Aquapac we call this:
IPX1	Vertically falling water drops	Rainproof
IPX2	Vertically falling water drops – enclosure	Rainproof
IPX3	Water falling as a spray falling at any angle up to 60° from vertical	Sprayproof
IPX4	Water splashing from any direction	Splashproof
IPX5	Water jets – water projected at all angles through a 6.3mm nozzle	Stormproof
IPX6	Powerful water jets – water projected at all angles through a 12.5mm nozzle	Stormproof
IPX7	Protected against immersion for 30 minutes to a depth of less than 3ft/1m	Submersible
IPX8	Protected against continuous immersion to a depth of 30ft/10m (see below)	Submersible

When we patented the Aquaclip® sealing system it was submitted for independent testing. The IPX8 testing was for 30 minutes at the equivalent of a depth of 30ft/10m.

Some of the Aquaclips proved waterproof at very much greater depths. Our Keymaster case for example tested IPX8 to 165ft/50m.

## Full 5-Year Warranty

### Who Is Covered, And For How Long?

Our warranty covers any consumer who owns this product. It lasts 5 years from the date the first consumer purchased this product as new.

### What Does The Warranty Cover? And What Does It Not?

- It covers defects in materials or workmanship. It does not cover defects caused by accident, animal attacks, neglect, normal wear and tear, improper care, or failure to follow our written directions (available on our website at [www.aquapac.info](http://www.aquapac.info)).
- It does not apply if examination or testing show that an alleged defect does not exist.
- It covers this product only, and not any items you may put inside this product. **WE WILL NOT BE LIABLE FOR THE COST OF REPAIRING OR REPLACING ANY SUCH ITEMS OR FOR ANY OTHER INCIDENTAL, CONSEQUENTIAL, SPECIAL, OR OTHER DAMAGES. SOME STATES AND TERRITORIES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.**

### What Will We Do To Correct Problems?

We will repair any product that proves to be defective in materials or workmanship during the warranty period. In the event repair is not possible, we will either replace it with a new one or refund the full original purchase price - whichever you prefer. We will also reimburse you for any shipping charges we ask you to incur in returning any product that proves to be defective. This is our only express warranty, and this is our entire obligation, and your sole remedy, for any defects. In no event will we be responsible for reimbursing you for any amount greater than the original purchase price, plus any covered shipping charges.

### How Can You Get Warranty Service?

You will find clear instructions on our website at [www.aquapac.info](http://www.aquapac.info). Look for the link to Customer Service on the homepage. Or you can write to us at Aquapac International Limited, 7 Bessemer Park, 250 Milkwood Road, London SE24 0HG, United Kingdom.

### What Must You Do To Keep The Warranty In Effect?

You will need to provide us with proof of the date of first purchase and your purchase price, so we recommend that you attach your receipt to this card. If you sell this product during the warranty period, you should give both the receipt and card to the new owner. Otherwise, he or she might be unable to get warranty service.

### How Does State Law Relate To This Warranty?

THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS, WHICH VARY FROM STATE TO STATE OR BY TERRITORY.
