SWISS CLASSIC CHEF'S KNIFE VERSATILITY IS THE NAME OF THE GAME

Our Chinese chef's knife is a master of versatility. With its extra wide blade, it can chop, cut and dice as well as any other chef's knife. But it's also an ideal kitchen companion for mincing, scraping and portioning. It's a brand new arrival in the Swiss Classic Collection with an eye-catching red handle in a high-quality gift box. Its special shape and lightweight construction make it a genuine all-rounder. Whether it's a gift for friends or for your own kitchen, this chef's knife is a pleasure to use, every single day.

KEY FEATURES

- Well-balanced Chinese style utility knife
- Swiss Made
- Dishwasher safe

SWISS MODERN WOOD COLLECTION

PRECISION AND DESIGN ARE A MATCH MADE IN HEAVEN

Comes in noble walnut wood with a wide application range: preparing food with the new Swiss Modern series becomes an optical indulgence and it's haptic quality simply enjoyable. All knives in the series have outstanding Victorinox quality blades. The blades razor sharp edge and easy handling allow for effortless cutting. The handles are handmade with the highest precision from certified European walnut. The natural dark brown graining, makes each piece unique. This Swiss Modern series consists of five different knife types as well as an anthracite-colored knife block. The elegant design presents itself excellently on your dining table and will fascinate you every day anew.

KEY FEATURES

- Elegant design
- High-quality walnut wood handles
- Swiss Made

SWISS MODERN WOOD CUTLERY BLOCK A BLOCK ABOVE THE REST

The Swiss Modern Knife Blocks add a suave, sophisticated edge to any countertop. Crafted in beautiful beech wood and then anthracite lacquered for a distinctive modern finish, they are set to become a future design classic. The geometrical angled shape echoes the form of the six blades it houses. The engraved Victorinox logo adds a distinctive detail. Available filled with five knives and a fork or empty. Invest in a little kitchen cool.

KEY FEATURES

- Ideal for safe blade storage and super fast and easy food preparation
- Cutlery block crafted in robust beech wood for housing five Swiss made knives and a fork
- All knives feature stainless, wear-resistant steel blades with high quality walnut wood handles

FIBROX DUAL GRIP

COMFORTABLE AND EFFORTLESS — WITH NEW TWO-COMPONENT HANDLE

Our Fibrox Dual Grip Slaughter and Boning Knives are designed for effortless cutting. Home cooks and professionals alike need knives that are comfortable, efficient and faultless. Which is why we've developed the Fibrox Dual Grip Series that make light work of butchering and preparing meat. The two-component handles are ergonomically designed to offer maximum support for the hand and wrist, while the stainless steel blades glide through meat with ease. These are smooth, sharp, powerful knives that achieve superior results. An essential addition for the professional usage in the meat processing.

KEY FEATURES

- The ideal range for comfortable and effortless working
- Swiss made slaughter and boning knives with durable stainless steel blades
- Each piece with an ergonomically designed two-component, nonslip handle

LIGHT - CUT RESISTANT GLOVE SAFETY AND BEST WEARING IN ONE

The requirements for hygiene and safety in meat processing are high. The knitted working glove made from 100% Dyneema® Diamond yarn meets these requirements and protects the knife hand.

It is pleasantly light and offers an exceptional and proof tested cut resistance. The glove does not contain glass or steel wire and is therefore very comfortable to wear. The model is available in five sizes and is also machine washable.

KEY FEATURES

- 100% Dyneema® Diamond yarn
- Does not contain glass or steel wire
