Care and maintenance
Keeping the product in a good condition prolongs it's lifespan. Avoid unnecessary damage by following the guide below. Remove stains immediately to avoid permanent damage of the surface. Place the product in a humidity and temperature stable environment, avoiding direct sunlight. Avoid using sharp or hard objects on the product, as it will scratch or damage the surface.

Mirror
Wipe with a moist clean cloth wrung in water or in a solution of mild soap and water. Remove any residue immediately using a clean dry cloth. Avoid using scouring cream or scouring pads on the surface, as they might damage the surface.

Leather strap
Wipe with a moist clean cloth wrung in water or in a solution of mild soap and water. Remove any residue immediately using a clean dry cloth. Avoid using scouring cream or scouring pads on the surface, as they might damage the surface. Leather needs regular treatment to avoid drying out. We recommend using furniture care products from Guardian.
